# Fun Corner

Working 5 days a week could be boring, right? Let's make it 6 days working... Kidding! Organizing a fun activity for a break can be a great way to boost morale. Here's a glimpse of some successful events organized for our employees.

# Message from Vice President.

Dear Employees,

I extend my warmest greetings and gratitude to each and every one of you. I hope this message finds you all in good health and high spirits. It has been a challenging year, but together, we have shown resilience and adaptability. The company continues to grow and thrive, and I am proud of the efforts each of you has put in to make it happen. Looking ahead, we have some exciting initiatives and projects in the pipeline, for which our teams are working really hard. We have launched another best product Credee and are working on Practina AI. An event is organized in May to advertise the products to the next level at CDA, Anaheim, and California. Finally, I would like to remind you all to practice safety measures and take care of yourselves and your loved ones.

I wish you all a successful and fulfilling month ahead.

Sincerely,

Gautam Grover

Vice President - Bridging Healthcare Pvt Ltd

## March in a Nutshell

March was a month of celebration and recognition as we honor the incredible women who have contributed to our growth and progress. Our CEO held a company-wide meeting that brought together all of our teams. And in true celebratory fashion, it included exciting announcements and promotions that left everyone feeling motivated and inspired. As the month came to a close, fun was injected into our work routine. We came together for an enthusiastic and super-amazing Fun Friday, completed with games and activities that broke the monotony of the work week. It was a reminder that even amidst the hustle and bustle of the workday, it's important to make time for laughter and camaraderie.
